Annual Conference Project 2009

ADOPTING SABINE PASS United Methodist Church

ABOUT THE PROJECT

Sabine Pass UMC is a church in need, and a church with heart. The pastor, Rev. Kitty Key, has led this church toward recovery after two devastating storms — Hurricane Rita and Hurricane Ike.

It takes courage to rebuild two times in four years. We can help them. To be safe from new storms, they need to raise this church on new piers. The interior of the church was also destroyed. Work teams will be needed too, once the building is raised 16 feet off the ground.
