

Across Africa,  
children are raising children  
due to the HIV/AIDS pandemic and genocide.

## ZOE Ministry Is Giving Hope

Help for African children orphaned by the HIV/AIDS pandemic and genocide through **medical care, food relief, education, and clothing.**

Ongoing love and support through ZOE Ministry programs and partnerships bringing orphans in Zimbabwe, Zambia, Kenya, and Rwanda back into their communities.

Prayer, emotional healing, and the good news of Christ's love extended through faith communities in Africa and the United States.

Empowerment for children living in desperate poverty through ZOE's **Giving Hope Empowerment Project** providing mentoring, vocational training, income-generating activities, animal husbandry and farming skills, and HIV/AIDS education.

## You Can Give Hope:

Attend the North Texas Conference

# ZOE Event

**Saturday, November 21  
4:00-6:00pm**

**African Music. African Food.  
Helping African Orphans.**

***Custer Road UMC  
6601 Custer Rd., Plano***

Learn more about this official Advance Project of the UM General Board of Global Ministries.

Come meet Reegan Kaberia,  
ZOE's Giving Hope Director from Kenya  
on his first visit to the United States.
