

A Message and Opportunity from Highland Park UMC – Please help us get the word out in your churches.

Renovation at the Munger Place building is about to begin, but before it can start there are many useful items there that need to find new homes. We would like to extend a special invitation to our NTC friends to stop by to shop for furniture, flower arrangements, toys, books, Christmas decorations, pews, dishes, lamps, and other treasures that have been collected over 98 years. All proceeds will be going to the Munger Place restoration project.

The sale is this Friday Nov 20th and Saturday Nov 21st from 9:00am - 4:00pm each day. Munger Place is located at 5200 Bryan, Dallas, TX 75206. We hope to see you there! Learn more at: www.mungerplace.org.
