

Hello and welcome to the U.M.W. web page of the Paris-Sulphur Springs District. I'm Rona Vickers, president of the district and am glad that you logged on.

To the churches in the district, let me say I'm grateful for those who have active women's groups. As I visit each unit, I'll be learning just how very active each unit is in the area of mission.

To the pastor of the churches in which there is not an active women's unit, please contact me and "let's talk." There are many ways in which women in the church can be in mission and I'd like to share some thoughts with you. I can be contacted by phone, (903) 739-8030, or e-mail, grvick@sbcglobal.net

Following this greeting is a list of the district officers, some of whom may be in your church, and also a calendar of events for the year.

Again, welcome to the web page and I'd like to hear from you -- laity and clergy.

Grace and peace,

Rona Vickers
