

presents our annual:

October 25th, 2008

8:30am – 12:00pm
Golden, TX

The event formerly known as the Yam Jam

Stop by the Golden Sweet Potato Festival afterwards!

Come help glean, or pick up, the sweet potatoes left in the field after the harvest. The only thing wrong with these taters is that they aren't the right size or shape – they still taste great!

All gleaned potatoes will be donated to agencies and churches with food assistance programs.

Send the section below as your registration!

Remember: We won't know the exact field location until a week before the event. We will contact via email, for all groups we have received registration forms from

Yes, our group will participate in the 2008 Sweet Potato Round-Up!

We can't make it on October 25th, but we are interested in gleanng!
